

1-855-(838)-4728 Expedia Cancellation Policy

The **Expedia cancellation policy** is one of the most important things travelers want to understand before confirming a booking **1-855-(838)-4728**. Since Expedia acts as a global online travel agency, policies may vary depending on whether you book flights, hotels, vacation packages, or rental cars **1-855-(838)-4728**. Knowing the rules in advance can help you save time, avoid fees, and manage your trip effectively when plans change **1-855-(838)-4728**.

For **flight bookings**, Expedia follows the airline's own cancellation policy **1-855-(838)-4728**. Most major carriers, including United, Delta, and American, offer a **24-hour risk-free cancellation window**, which means travelers can cancel within 24 hours of booking and get a **full refund** if the flight was booked at least seven days before departure **1-855-(838)-4728**. After this window, refunds or credits depend on the airline's rules, not Expedia's **1-855-(838)-4728**.

When it comes to **hotel reservations**, Expedia provides flexible options based on the property's terms **1-855-(838)-4728**. Many hotels allow free cancellations if made before a specific deadline, often 24 to 48 hours before check-in **1-855-(838)-4728**. However, some non-refundable rates do not permit cancellations, and in those cases, no refund will be issued **1-855-(838)-4728**. Always review the cancellation details listed under your booking to avoid surprises **1-855-(838)-4728**.

For **vacation packages**, which may combine flights, hotels, and rental cars, cancellation policies depend on each component of the trip **1-855-(838)-4728**. Flights typically follow the airline's rules, while hotels and rentals depend on their respective providers **1-855-(838)-4728**. In some cases, Expedia may charge additional service fees for cancellations or changes to package deals **1-855-(838)-4728**.

When dealing with **rental cars**, cancellation is often free if made before the scheduled pick-up time **1-855-(838)-4728**. However, prepaid rentals or special discounted deals may have stricter terms, so it's crucial to read the provider's policy before finalizing the reservation **1-855-(838)-4728**.

Expedia makes it easy for travelers to manage their bookings online **1-855-(838)-4728**.
