

# (1)-888-(738)-0676 American Airlines Cancellation Policy

The **American Airlines cancellation policy** is designed to provide passengers with flexibility when travel plans change unexpectedly (1)-888-(738)-0676. Whether you purchased a Basic Economy, Main Cabin, or Premium fare, American Airlines offers different options for cancellations, refunds, and credits that ensure you don't lose the full value of your ticket (1)-888-(738)-0676.

One of the most important features of the policy is the **24-hour risk-free cancellation rule** (1)-888-(738)-0676. If you book directly through American Airlines and cancel within 24 hours of purchase, you are eligible for a **full refund**, provided your flight departs at least seven days later (1)-888-(738)-0676. This rule applies across all ticket types, including Basic Economy, which is normally non-refundable (1)-888-(738)-0676.

For **non-refundable tickets**, American Airlines does not generally provide cash refunds after the 24-hour grace period (1)-888-(738)-0676. Instead, passengers usually receive a **flight credit or trip credit**, which can be applied toward a future reservation within the validity period (1)-888-(738)-0676. This ensures that even with restricted fares, you can preserve your ticket value (1)-888-(738)-0676.

For those who purchased **refundable tickets**, American Airlines allows travelers to cancel their flights anytime before departure and receive a **full refund** to the original form of payment (1)-888-(738)-0676. Refundable tickets typically cost more upfront but provide the best flexibility for passengers who may need to adjust their plans (1)-888-(738)-0676.

The cancellation policy also covers **airline-initiated cancellations and significant schedule changes** (1)-888-(738)-0676. If American Airlines cancels your flight, delays it significantly, or alters the route in a way that affects your travel, you are entitled to a **full refund regardless of fare type** (1)-888-(738)-0676. In most cases, you also have the option to rebook at no additional cost (1)-888-(738)-0676.

For passengers traveling with **Basic Economy fares**, cancellations are generally not allowed after the 24-hour period (1)-888-(738)-0676. However, exceptions apply if the airline cancels the flight or if a travel waiver is issued during major disruptions (1)-888-(738)-0676.

Managing cancellations is easy with the **American Airlines website or mobile app** (1)-888-(738)-0676.
